Sunday Next — Mirrlees Works Band

THE CAMMELL LAIRD BAND

We are delighted to welcome our near neighbours, The Cammell Laird Band, under the direction of Mr Jim Scott, a first class instrumentalist in his own right.

The Band has broadcast on numerous occasions and has several L.P. records to their credit. They are well supported by their parent company and are expected to be prominent in future contests.

Always popular visitors to New Brighton, we look forward to two entertaining concerts.
