Christmas, 1891.

Ladies and Gentlemen,

We wish to respectfully notify, that we intend to celebrate Christmas by playing appropriate music in the principal parts of the Town on Christmas Eve; and, on Boxing-Day, to make a general round through the Town and Neighbourhood.

Below you will find a list of special music we have practised for the purpose and hope it will meet with your approval: and if there is any piece in the list you would like to hear, we shall esteem it an honour to be made aware of the fact.

We, also take this opportunity to thank you for past favours, and trust we shall continue to receive your kind patronage and support.

Wishing you a Merry Christmas and a Happy New Year, we beg to remain, yours, Ladies and Gentlemen,
