Stocksbridge Old Prize Band.

Dear Sir,

The Trustees, Committee and Bandsmen have great pleasure in placing before you the Balance Sheet for the Period ending December 31st, 1927. It has been considered advisable to make the alteration in the date coincide with the Calendar year end and thus simplify matters in future years.

During this time the band has made good progress, the provision of new Instruments, which were badly needed, has added both to blend, interest and efficiency, and more engagements and publicity are expected in the future.

In taking this opportunity of thanking you for past favours and soliciting your future support, we recognise that though the debt on Instruments is still considerable, with your help and our own efforts this can be successfully overcome and a period of prosperity and further laurels should be before us.

The Committee have lost the regular service, after so many years, of the late Secretary, Mr. E. Bamforth, but have been pleased to know his interest will still be with us in his official capacity as Trustee.

Hoping for your loyal support of our new Secretary.

On behalf of the Band,

Yours very respectfully,

R. RICHARDSON, Committee Secretary.

T. BRADBURY, Band Secretary.

Period ending December 31st, 1927.
