Bonnybridge, August 19<sup>th</sup> 1931.

You are, & I know you would do well here, & as you say in your letter you are anxious to get out of Pitt, & also, as long as you give your Band time to get another man, as some people seem to be more plentiful your way than here.

I have taken the liberty of sending you a signing on line, & if you care to sign, please get your clearance from your other Band, before signing on me, & you could bring with you on Friday night.

If you come on Friday we will pay your expenses & keep you all night. I have a right good talk.

I trust it will be convenient for you this week.

Thanking you.

I remain, Yours faithfully

E. B. Gill
