

THE DE HAVILLAND WORKS BAND

A very promising combination of instrumentalists have been brought together by the newly-formed De Havilland Band. Already good work has been done. During December two concerts were given in aid of the British Red Cross, resulting in nearly £80 being cleared. Mr. Williams is Bandmaster, and Mr. Reg. Hutchinson Conductor. The band anticipate joining the London & Home Counties Association shortly, and will probably be heard on the contest platform during the coming season.
