

GREAT YARMOUTH S.C. BAND

The Great Yarmouth Special Constabulary Band

was formed in April last by its Bandmaster, Mr. B. H. Connors, upon the nucleus of a few special constables who had previously played under him in the Great Yarmouth Municipal Band. The band has made exceptional progress in the short time it has been in existence, and in addition to the full military band, also has an orchestra, and a ten-piece dance band. Quite a lot of good work has already been done in giving Sunday

concerts for the troops, and it is hoped its entertaining and charitable work will continue.

Help and encouragement has been given the band by the Chief Constable, B. W. Smith, Esq., and from the Commandant, Ex-Chief Inspector A. Boulton, the former arranging for a practice room, and consenting to become Band President. The Commandant is chairman of the band committee, and H. Q. Clerk Dodman is the very efficient secretary.
